quality workmanship.

*J&J Truck Bodies & Trailers
is a division of
Somerset Welding & Steel, Inc.*

Medium-duty dump bodies are available in aluminum, steel, or stainless.

Custom engineered for a medium-duty chassis.

J&J's medium-duty dump bodies are ideally suited for municipal and commercial applications. They are an excellent choice for road maintenance, snow and ice control, and construction and landscaping applications. Depend on these versatile dump bodies to deliver years of hard work and reliable service.

Rely on our experience.

There's no substitute for a truck body built by the experts at J&J Truck Bodies & Trailers. We don't cut corners and we don't compromise on quality. Rely on our 60+ years of experience to build you the dump trucks you want - we'll build them to your specification and application.
